

## FOCUS PORTABLE SOUND SYSTEM

**Simply the most versatile A4 sized portable sound system in the world!**

The brand new **Focus** portable PA system from Chiayo looks great and sounds great – and all in such a small and extremely portable package. With total weight below 5.5kg this is a truly portable PA that delivers a punchy, clear sound! Perfect for classrooms, boardrooms and in fact any application that demands high quality sound that can be taken anywhere, thanks to be built in rechargeable battery supply. You'll be amazed at the output of the **Focus** – despite its compact size the Focus delivers 27 watts of RMS output power and the quality is great.

**The Focus also gives you the power to choose your level of options –**

CD player (MP3 compatible) with infra red remote control, single or dual channel 16 x UHF frequency receivers, cassette deck or even an MP3 recorder/player. Other options include cost effective Infrared receivers instead of RF.

A convenient ST40 tripod speaker stand and SB20 shoulder/carry bag are also available for the brand new **Focus**.
